

SHORT NEWS

In the last issue of L'Entrefilet, I mentioned that the position of the^{1st} Vice-President had remained vacant during our General Assembly. Since the publication of the bulletin, the council has received two offers. I would like to sincerely thank Nicole Girard and Angèle Gagnon for expressing their interest. The Board will meet with each of the candidates and, according to our statutes and by-laws, will choose the one who will be appointed to succeed Thérèse Poirier-Labossière as First Vice-President until our April 2023 General Assembly where the position will be up for election.

I would like to sincerely thank Nicole and Angèle for their commitment. I remind you that at our next General Assembly we will have elections for the Presidency, the^{2nd} Vice-Presidency, the Secretariat and the position of Councilor.

We will therefore have 4 people to find, since these positions are currently occupied by people who will have completed their two non-renewable three-year terms. We will therefore HAVE to elect new people to these positions. We don't want to think about what will happen if no one comes forward. That will not help anything.

The only qualification required is the desire that the Du-Haut-de-L'Isle sector can continue to exist. If this is important to you, please do not hesitate to contact your current board to indicate your intention; we will give you all the help you need!
